

2024 Update for the American National Election Studies

This is for a research study. The purpose of the research is to update information from participants in the 2016 and 2020 American National Election Studies. We are also asking you to confirm your contact information so we can reach you later this year if you are selected for the next study. This questionnaire usually takes about 3 minutes.

Any information you provide will be confidential and will be used only for academic research. It's up to you whether to participate or not, and there is no penalty for refusing; you always get to keep the money we sent. If you have questions or would prefer not to be contacted about this study again, you can reach us at 734-763-1348. If you have questions about your rights as a research participant you may contact the University of Michigan Institutional Review Board (IRB-HSBS), 2800 Plymouth Road Building 520, Room 1169, Ann Arbor, MI 48109-2800, or by email at irbhsbs@umich.edu or by phone toll free at 866-936-0933.
