Please look at page 3 of the booklet.

Some people think the government should provide fewer services even in areas such as health and education in order to reduce spending. Suppose these people are at one end of a scale, at point 1. Other people feel it is important for the government to provide many more services even if it means an increase in spending. Suppose these people are at the other end, at point 7. And, of course, some other people have opinions somewhere in between, at points 2, 3, 4, 5 or 6.

Where would you place yourself on this scale, or haven't you thought much about this?

- ☐ Haven't thought much about this {DO NOT PROBE}
- ☐ Do not know the answer
- ☐ Rather not answer
