

We are faced with many problems in this country, none of which can be solved easily or inexpensively. We are going to name some of these problems, and for each one we'd like you to say whether you think we're spending too much money on it, too little money, or about the right amount.

First the space program. Are we spending too much, too little, or about the right amount on the space program?

- ☐ Too much
- ☐ Too little
- ☐ About the right amount
