We will be sending you a report of some of our findings as a way of expressing our appreciation for your cooperation. Our Regional Supervisor may also be calling or writing you to verify this interview. For these reasons I would like to verify your name and ask for your mailing address and telephone number.

(For men: Obtain their first name, not their husband’s first name.)

What is your full legal name as it appears on official documents such as your voter’s registration, Social Security Card, or driver’s license? (Note: Verify spelling of R’s full name and write clearly.)

DESCRIBE HERE ANYTHING ELSE YOU THINK WE SHOULD KNOW ABOUT ANY ASPECT OF GETTING THIS INTERVIEW OR NON-INTERVIEW. Examples of the kind of information we are seeking are attempts made at persuasion -- letters, additional visits, coversheet transfers, etc. -- whether you think R has given you an excuse not to be interviewed or whether the reason was genuine, etc.
15 (a)-(c). In order to determine who to interview, I need to know who lives here at this address—not their names, just ages and their relationship to you and whether any of the persons is not an American citizen. Let’s start with you—how old are you?

Next I'd like the sex and age and relationship to you of each of the other members of this household who are living here now.

15 (d). (If 18 YEARS OF AGE) Was (PERSON) 18 years old on or before November 7, 1990?

15 (e). Are all of these people U.S. citizens? (Who is not a U.S. citizen?)

16. You've said there are (REPEATED LISTING); does that include everyone living here at the present time? (IF NO, CORRECT ABOVE). Now, I will use a selection procedure—'I'm going to number the persons in this household to determine whom we need to interview—(It will take a second...))

15 (f) Enter a check (✓) mark in column (f) for each person eligible for selection. Eligible persons are U.S. citizens who were 18 or before Nov. 7, 1990. In other words, if (d) is "Yes" and/or (e) is "No", DO NOT enter a check mark in (f).

15 (g) In column (g) assign a sequential number to each eligible person checked in column (f). First numbers checked MALES from oldest to youngest and then continue the numbering with checked FEMALES, again from oldest to youngest.

15 (h) Use the selection table above to select a respondent. In the first column circle the total number of eligible persons. The corresponding number in the second column of the selection table denotes the person selected to be interviewed. Enter "✓" in column (h) for this person.

17. NO ELIGIBLE RESPONDENT (NO ADULTS 18 BY NOV. 7 OR U.S. CITIZENS) → CODE RESULT '61'MER
