Hello, my name is __________, and I work for The University of Michigan's Survey Research Center. Let me show you my identification (SHOW ID). The University of Michigan is conducting a nationwide study, and we are interested in talking to people about their feelings on a variety of topics, including their feelings about the economy, the upcoming presidential election, and some important issues facing the country these days. You should have received a letter from The University of Michigan telling you about this survey. (SHOW LETTER, IF NECESSARY.) This address was selected as part of the study's national sample, and I may need to interview someone here. TURN TO P. 2, ITEM 13.
