There should be zero tolerance for offensive remarks: if you make such a comment, no matter how horrible the accusation, it is important to wait until all the evidence is in.

Most people who disagree with me turn out to be wrong.

There is too often a rush to judgment these days when people are accused of saying things that are offensive.

When people say we should try harder to understand the views of our political opponents, it is often unfair to make victims testify in front of those who have hurt them.

Logical reasoning is a better guide to morality than traditional religious teachings.
